Information on the additional consultation appointment during the transition in the State Capital Munich 2023

Dear Parents and Guardians,

You have already received information about transition counseling from your child's elementary/primary school.

You have received a registration form for a **voluntary** additional consultation appointment.

You do not have to fill out the **registration form**. This additional consultation appointment is **not mandatory**.

Please **only fill out the registration form if you have specific questions and need individual advice** (e.g. if your child has special needs or a chronic illness).

Questions about current performance and grades will not be answered.

You are welcome to get information at the information evenings of the grammar schools, junior high schools, middle schools and business schools. (Dates on the homepage of the respective school).
